

CALL FOR PAPERS

Dear Colleagues,
We invite you to participate in
XIII International Conference

«INOVATIVE TECHNOLOGIES FOR MANAGEMENT OF SOCIAL AND ECONOMIC DEVELOPMENT IN THE TERRITORIES» dedicated to the 70th anniversary of the Institute of Social and Economic Researches UFRC RAS founding

Ufa, Russia, **October 28-29, 2021**

Conference organizers: Institute of Social and Economic Researches – Subdivision of the Ufa Federal Research Centre of the Academy of Science, Territorial Department of the Federal State Statistics Service in the Republic of Bashkortostan, Ministry of Economic Development and Investment Policy of the Republic of Bashkortostan, Ministry of Industry, Energy and Innovation of the Republic of Bashkortostan, Institute of Economics of The Ural Branch of The Russian Academy of Sciences, Vologda Research Center of the Russian Academy of Sciences, Ufa State Aviation Technical University, Institute of Economic Research of Slovak Academy of Sciences, Slovak University of Technology, Makhambet Utemisov West Kazakhstan University, Baku State University, Nakhchivan State University.

Conference events will be held in a mixed format (in-person reports and online). The plenary session of the Conference is planned to be held as a face to face event with broadcasting on the Zoom platform. Presentations and discussions of the most famous and young specialists in regional and municipal management within the framework of breakout sessions will be available to Russian and foreign participants on the Zoom platform.

The working languages of the Conference are Russian and English.

The materials of the conference will be published as a collection of articles and placed in the RSCI (Russian Science Citation Index) database. Moreover, as part of the conference we plan to hold a competition among the submitted papers with subsequent publication of the best papers in each area of the conference in the “Proceedings of the RAS Ufa Scientific Centre” journal.

CONFERENCE SCIENTIFIC AREAS

- ❖ Project management in the socio-economic development of territories
- ❖ Methods and technologies for modeling and management of innovative development socio-economic systems in the context of transformational processes and digital economy
- ❖ Responsible financing: investing in the comprehensive development of territories
- ❖ Territorial development in context of the influence of destabilizing environmental factors
- ❖ Social development of the territory and the formation of high-quality and accessible social infrastructure

CONFERENCE SCIENTIFIC ACTIVITIES

- ❖ Round robin for young scientists “Challenges of modern society and opportunities for territorial development: the view of young people”
- ❖ Master classes by leading scientists of the ISER UFRC RAS

The main objective of the conference is a comprehensive discussion and synthesis of current issues in the field of socio-economic territorial development, theoretical and practical experience of Russian, near and far abroad scientists. In this regard, it is also interesting to discuss priority areas and developing effective measures to ensure the competitiveness of the economy and national security of our country and its regions in the development of the digital economy and the global pandemic.

The conference organizers invite to participate specialists in the field of regional economics, social policy, culture, management of socio-economic development of territories, representatives of public authorities and administration, researchers, teachers, graduate students and other interested persons. Working languages of the conference are Russian and English.

Video of the conference presentations will be available for downloading and viewing on You-tube (the links will be provided to participants later).

ORGANIZATIONAL MATTERS:

Deadline for Paper Submissions is **October 10, 2021**. To participate in the conference, please send an application for participation and an article in separate files to: isei_conf_2021@mail.ru. The name of the files must contain the first author's initials and surname. The Organizing Committee has the right to refuse publication of the paper if it does not meet the requirements and topics of the Conference. The uniqueness of the text should be 85% or more. Materials may be returned to authors for the revision.

The registration fee for the conference is 350 rubles. Printed copy of the collection of articles is paid additionally – 200 rubles (excluding shipping charges). If the publication of materials is more than 5 pages, additional pages are paid at the rate of 100 rubles per 1 page. Publication fee is paid **after acceptance of the paper**. Submissions will not be returned. Based on the results of the conference articles will be published and placed in the RSCI database collection of articles (with ISBN assignment). If you need a certificate of participation, please indicate it in the application form. Certificates of participation in the conference will be sent to the e-mail address provided.

The electronic version of the conference proceedings will be freely available on the conference website <http://ufa-isei.ru/teksty-monografij/>.
